Pay and Display Permit Parking Weeding in Carnew Street

Dear Resident,

At the request of residents, I have arranged for a member of Dublin City Council's area traffic team to investigate Carnew Street for pay and display/permit parking. It is likely this exercise will be completed by mid August and I will keep you informed as to the result.

At the request of residents I have also requested that Carnew Street be sprayed for weeds and am advised that this work can be done by the end of July, weather permitting.

If I can be of any further assistance, please do not hesitate to contact me.

Yours sincerely,

Cllr Claire O' Regan
