

Matt Talbot Court Residents Information

June 2010

Matt Talbot Court Complex

Dear Resident,

At the request of residents, I put a question to City Council Officials regarding the roof at Matt Talbot Court.

Below please find a copy of my question and the response received:

Dublin City Council Central Area Committee Meeting 8th June 2010

Motion in the name of Councillor Claire O' Regan

That this Committee agree to consider repairing the roof at Matt Talbot Court, particularly using the same system as that used in Bernard Curtis House.

Report from Council officials:

Our Housing Maintenance Executive Engineer is investigating options for re-covering the roofs of this complex. Any final decision to be made will be made subject to costing and feasibility.

Should you have any other queries or if I can be of assistance in any way, please do not hesitate to contact me.

Yours sincerely,

Cllr Claire O' Regan
