## Niall Street Update

Oct 2009

Dear Resident

At the request of a resident, below please find a copy of a question I put to Dublin City Council regarding speed ramps on Niall Street, together with a copy of their response.

If you wish to contact me to express your views on this, you can do so at [oregan.claire@gmail.com](mailto:oregan.claire@gmail.com)

### Question to City Manager City Council Meeting 05/10/2009

#### Q24. COUNCILLOR CLAIRE O'REGAN

To ask the Manager if Niall Street, Dublin 7 can be assessed for provision of speed ramps?

#### CITY MANAGER'S REPLY:

A request for ramps on Niall Street was not recommended by the Traffic Advisory Group in August 2009 as on a recent site survey, traffic volumes were found to be very low and did not meet the warrant for the installation of ramps.

If there are any other issues that you would like me to raise on your behalf, do not hesitate to contact me

Regards

**Cllr Claire O'Regan**
