WASTE ELECTRICAL AND ELECTRONIC EQUIPMENT COLLECTION

Dear Resident,

I have been liaising with WEEE Ireland since August 2009 regarding a collection of old domestic electrical appliances in the North Inner City and am pleased to advise there will be a collection organised by Dublin City Council and WEEE Ireland at the following locations on the following dates:

Saturday 22nd May 2010 Western way 10am-4pm

Saturday 29th May 2010 Grangegorman (outside the depot)10am-4pm

Items that can be dropped to the above locations at the above times include old fridges, washing machines, computers, televisions, toasters, kettles, hairdryers and batteries.

WEEE Ireland is a not for profit organisation, founded by producers of electrical and electronic appliances in order to comply with legal obligations.

WEEE Ireland will organise for the treatment and recycling of waste electrical and electronic equipment and batteries and accumulators from authorised collection points, on behalf of its Producer members.

Yours sincerely,

Claire O' Regan
