

BRENDAN RYAN TD

Your trusted voice in the Dáil

Spring 2016

Dear constituent,

I was honoured to have been re-elected by the people of Dublin Fingal in the General Election in February. I write to express my thanks to the people for the trust that has been put in me once again.

As I write this newsletter, it is still unclear as to how the next Government will be formed. For my part, I will continue to represent the people of Dublin Fingal and I am working closely with our three Labour Councillors to continue our solid service to the people of North County Dublin.

My eight weekly advice clinics continue throughout the North County and I am always flexible and available to make other meeting arrangements as required.

I will continue to advocate for a resolution to the Housing Crisis, the remediation of all Pyrite homes, improved Education facilities for the young population of Fingal, the advancement of Metro North and protection of our coastal and natural environment.

I am proud to represent the people of Dublin Fingal and, whether you voted for me or not, I will be there to represent you to the best of my ability.

Just get in touch.
